SUMMARY

Creative and tech-driven generalist blending graphic design, video editing, and content creation with a strong interest in AI, sales, and continuous learning. Focused on making things that look sharp, communicate clearly, and actually move the needle. Open to design, content, and AI-adjacent roles where taste, speed, and curiosity matter.

SKILLS

Graphic Design	Brand visuals, posters, social graphics. Strong eye for type, layout, and color systems.
Video & Photo Editing	Premiere, CapCut, Lightroom. Polished short-form and long-form cuts.
Content Creation	Short-form video for Instagram Reels — concept, shoot, edit, hook, retention.
Emerging Tech & AI Tools	Daily use of Claude, ChatGPT, Midjourney, Notion AI, ElevenLabs and emerging AI workflows.
Sales & Communication	Comfortable pitching ideas and products. Clear, concise, audience-aware communication.
Self-driven Learning	Continuous reading, building, and shipping. Books, docs, side projects.

TOOLS

Design	Photoshop, Illustrator, Figma, Canva
Video / Photo	Adobe Premiere Pro, CapCut, Lightroom
AI	Claude, ChatGPT, Midjourney, Notion AI, ElevenLabs
Web	Next.js, Tailwind CSS (comfortable reading and editing code)

PROJECTS

Personal AI Voice Assistant — designed and built a personal voice assistant that handles everyday queries, conversation, and tasks. Hands-on with speech-to-text, LLM prompting, and text-to-speech pipelines.

devsukhramani.com — personal portfolio. Built with Next.js, Tailwind CSS, and Framer Motion. Deployed on AWS Amplify with custom domain on GoDaddy. Markdown-driven blog and AI toolkit hub. (2026)

EXPERIENCE

[REPLACE: list 2–4 roles, most recent first. Suggested format:

Role · **Company** · Month YYYY – Month YYYY

- One bullet on what you owned / shipped / impacted (numbers help: views, clients, revenue).
- One bullet on a specific result you're proud of.

If you don't have formal employment yet, list freelance / volunteer / self-initiated client work the same way.]
